

CELEBRATE WORLD ENVIRONMENT DAY WITH NET ZERO

8 TO 18 JUNE 2023

BROCHURE

Venue: V&A WATERFRONT AND CENTURY CITY
Date: 08th to 11th June & 16th to 18th June 2023

Celebrate WORLD ENVIRONMENT DAY WITH netzero

ON AGENDA:

- CONFERENCE TALKS, DISCUSSIONS
 - WORKSHOPS ON UPCYCLING & RECYCLING
 - SUSTAINABILITY FUN ACTIVITIES FOR CHILDREN
 - EXHIBITIONS BY LOCAL & INTERNATIONAL ARTISTS
 - SHOWCASE OF SUSTAINABILITY INITIATIVES
 - COMMUNITY DEVELOPMENT PROGRAMMES WITH LOCAL SMEs , ENTREPRENEURS & INTERNATIONAL COMPANIES
 - TIDE TURNERS PLASTIC CHALLENGE
- AND MORE...

THE CONCEPT

1. Main feature is the SDG Tree showcasing the 17 Goals on the branches and under the tree displays of meaning of each goal with stools for children to sit and read. The stools when assembled together they are a lexicon.

2. Exhibition areas - printed cardboard with a showcase of Sustainable Development Goals initiatives with companies showcasing their projects or contribution.

3. Sustainability Activities area:

- Behind the SDG Tree a printed cardboard displaying climate conversations.

- Activities area with a playhouse with solar panel on the roof, a garden on the side, water tank with rainwater harvesting concept, an electric car with a plug cord for charging, a slide for kids to play. The playhouse should have an open door and window.

4. Booth area with bar stool and high coffee table concept plus a display background branded as per companies who are booking a space.

5. Artist area to showcase some paintings from recycled materials or recycled objects whereby stools can be used to place objects.

The above will be same for Century City except that at Century City we will have an audiovisual space and tentatively more space for the booths.

We will have The Sustainability Village and the collaboration with the Energy Observer floating laboratory boat and domes exhibitions with Global Cynergies sustainability initiatives.

On Agenda

Launching of The Sustainability Village©

Day 1

Venue: V & A Waterfront, Cape Town

Date: 8th June 2023

Time: 16.00

In collaboration with V & A Waterfront as our prime location partner with all our guests, participants, Team Global Cynergies Africa and Mauritius, distinguished guests, private & public stakeholders, all media and academia, we will do an official launching of The Sustainability Village© and a series of activities for the event 'Celebrate World Environment Day with Net Zero' in Cape Town, South Africa.

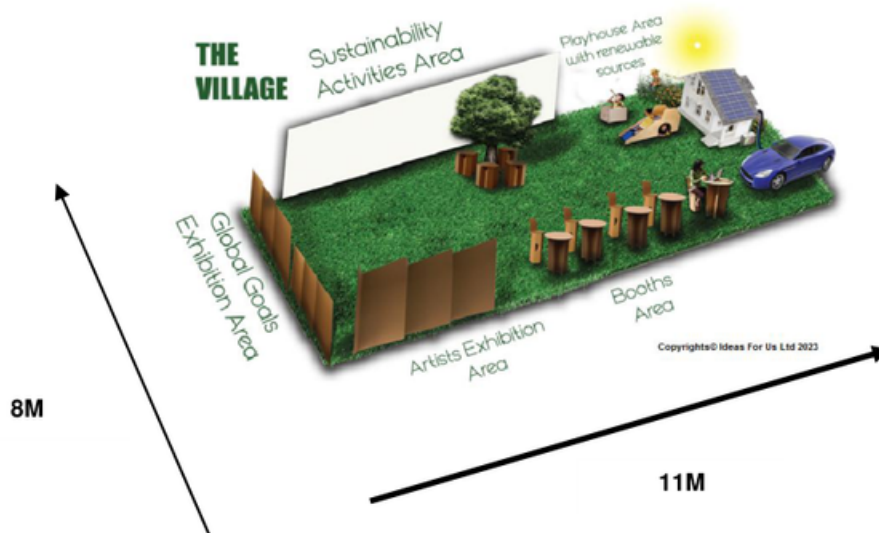

Programme

Official Launch 14.00 – 16.00 (Tentatively)

The exhibition shall be opened officially by 15.00 and only invited guests and media will have an overview of the The Sustainability Village©.

The village will then be opened to the public as from Friday morning 10.00am in V & A Waterfront Mall.

The Sustainability Village© Surface Area at The V & A Waterfront: 11m x 8 m

Launching of The Sustainability Village©
