

# NET ZERO FOOTPRINTS CONFERENCE 2024

2nd Edition

BROCHURE

# ABOUT NET ZERO FOOTPRINTS<sup>©</sup>

## **Introduction**

The first edition of the Net Zero Footprint Conference was done on March 2023 in Mauritius. Hamburg, Green City, in Germany will be hosting the 2nd Edition of the conference in April 2024.

## **Why Hamburg for the 2nd Edition?**

Hamburg being an example to sustainability as a green City in Germany is ideal for the Next Zero Footprint Conference 2nd Edition.

It is also the right location to bring companies from Europe, Asia and other countries for brainstorm, discuss, share and find possible solutions.

In this context we, being young and having the support of companies from Africa, Indian Ocean Island, can leverage on the outcome of the 1st Edition to address to young generation of entrepreneurs and international companies to have a bigger impact for the next 5 - 10 years.

Speakers ranging from startups to multinational companies with big brands will be onboard to showcase Net Zero strategies and practices.

The format of the conference will be of private and public mix with participants from diverse countries and culture to give us an inspirational impact.
